The **Individual** search function requires the user to enter the debtor's name and the last 4 digit of his/her Social Security Number or Federal Employer Identification Number in the field provided. Users are cautioned that entering the legal name of a debtor may not match the format in which the debtor registered with the Department of Revenue.

If a lien is satisfied by payment or by accepted documentation, the Registry will be updated to reflect that the lien has been satisfied and the date of satisfaction.

Name: WHITE
